RESPONSE

Sir:

This is in response to the United States Patent and Trademark Office Action mailed January 26, 2007, which response is being made on or before June 26, 2007, and for which \$225 extension fees are due.

No amendments are made to the application at this time. Reference is made, however, to the preliminary amendments already on file which were submitted together with the national phase filing and seem not to have been considered by the Examiner.
